

CONTINUING NANCY CARVER'S LEGACY OF CARING

In Loving Memory of Nancy Carver

Nancy's roots in Freeville ran deep.

Nancy lived her faith not only in words, but through a life of service. Alongside her best friend, Lorraine, she participated in mission trips across the United States, helping communities rebuild after natural disasters. She volunteered with Habitat for Humanity and supported organizations working to alleviate poverty, promote social justice, and improve the lives of children around the world.

In honor of Nancy's life of faith, compassion, and service, we invite you to help continue her legacy by donating personal care items to those in need.

In honor of Nancy's life of faith, compassion, and service, we invite you to help continue her legacy by donating personal care items to those in need:

Women's Opportunity Center , Ithaca

Bring Your Donation to the Collection Space at the Harvest Festival.

Saturday, September 12, 2026

Freeville United Methodist Church

Nancy will be deeply missed—not only for what she did, but for who she was: a teacher, a friend, an observer of beauty, and a woman whose kindness left a lasting imprint on all who knew her.

May we honor her memory by sharing that same kindness with others.
